

## PLEASE FIND BELOW A LIST OF CONTRIBUTORS THAT WE NEED MOST URGENTLY AT THE MOMENT.

- Copywriters in different languages (English, Dutch, Spanish, German, French, Arabic).
- ESL teachers or teachers with experience in teaching a foreign language.
- Programmers and IT specialists for website work as well as making smartphone applications. A passion and experience with education would be great!
- Website designers for performance and lay-out/design. Someone who is used to making websites who can give us tips and advice (experience with websites for NGOs would be even better).
- SEO specialists to help with the SEO of our websites.
- Graphic design for promotional materials such as brochures, flyers, media kit for fundraisers, presentations for funding purposes (companies and individuals).
- Marketing - in general to advice and to give tips and tricks. To help us to finalize content and give us tips about our new messaging. Specific skills for social media to help us with our different channels (strategy, messaging etc).
- Funding - people with big individual networks, big reach to approach individuals and companies to donate. Lobbyists that have experience in funding/lobbying that can give us advice and tips.

*You are not in this alone! We have all materials ready for you to use and always there to support you. We are in it together!*
